Dear Customer,

As part of our commitment to providing you excellent customer service and convenience, SunPower would like to invite you to participate in our direct debit program. The direct debit program allows for automatic withdrawal of your SunPower payment directly from your checking account.

Enrolling your SunPower account # _____<Lease number> in this program offers the following benefits:

- Convenience:** No check writing, finding a stamp, getting it into the mail on time, or logging in to bill pay programs
- Fewer Errors:** There are no risks associated with forgetting to sign checks or entering wrong amounts
- Safety:** You can immediately see that your payment was received via your financial institution and there is no chance that your check will be lost or stolen en route
- Speed:** Your payment arrives more quickly and will never be late
- Savings:** Spend less on postage and checks. Additionally, SunPower offers a discount of **\$7.50 off each month's rental payment** when your account is enrolled in our direct debit program

Automatic debit is also more environmentally friendly and eliminates the need for checks, envelopes, and the fuel used to transport them.

Please take a moment to review the ACH Authorization Agreement and to complete the Automatic Debit Form. If you have any questions, please do not hesitate to contact the SunPower Billing Team at the numbers listed below.

Thank you for being a SunPower customer. Together, let's change the way the world is powered!

ACH AUTHORIZATION AGREEMENT

I, _____ <Customer Name>, intend to facilitate the payments associated with this contract between SunPower and me, I hereby authorize SunPower to initiate debit and credit entries to the checking account indicated below.

I also authorize the financial institution named below to enter such debits or credits to such account.

Bank Name : _____
Account Type : _____
Routing Number : _____
Account Number : _____

I understand that SunPower will process debit entries to the above referenced account on or after the due date of each monthly payment in an amount equal to my most recent statement, except as expressly agreed to between SunPower and me.

I represent to SunPower that all persons whose signatures are required to withdraw funds from the above referenced account have executed this Authorization Agreement. I also hereby acknowledge that I have retained a copy of this Authorization Agreement for my records.

I hereby acknowledge that SunPower may process debit and credit entries for scheduled payments or any other sum due and payable to SunPower or Customer pursuant to the referenced account between SunPower and me. I will receive advance notice of any debit that varies from the regularly scheduled payment amount. I also acknowledge that SunPower may assign the account to a third-party financing source and that the assignee may then initiate debit and credit entries per this authorization. Under federal law, I understand I have the right to stop an automatic payment with a minimum of three (3) business days oral or written notice before the scheduled payment date; however, I understand that such a stop payment will not relieve my obligations to pay the Monthly Payments on time.

I hereby acknowledges that this agreement will not be terminated until the account is paid in **full** or I provides verbal (please contact SunPower at 1-800-786-7693 (1800-SUNPOWER)) or written notification to cancel this authorization agreement and has allowed SunPower a reasonable amount of time to act upon the request. The termination of this authorization agreement does not terminate the fully enforceable account or your obligation to make the required payments.
